### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David A. Jakopin, Reg. No. 32,995 on November 7, 2005.

2. The application has been amended as follows:

In the claims:

Cancel claims 25-34.

3. The following is an examiner's statement of reasons for allowance: None of the prior art in record taken alone or in combination discloses all the claimed limitations including a method for communicating between a first Fibre Channel (FC) enabled device and a second FC enabled device, where the communication occurs across a fabric that operates in accordance with a first protocol different from a FC protocol of the first and second FC enabled devices, the method comprising receiving, from the first FC enabled device, at a first gateway receiver a sequence of bytes including at least one FC control character in accordance with the FC protocol; replacing the at least one FC control character with at least one first protocol data character that represents the at least one FC character; generating at least one of an encapsulation header

and an encapsulation footer; the step of generating including setting at least one of an FC control character indicator in the encapsulation header if a first byte in the sequence of bytes received at the first gateway receiver contains the first control data character that represents the at least one FC character; and an FC end of frame indicator in the encapsulation footer if a last byte in the sequence of bytes received at the first gateway receiver contains the first protocol data character that represents the at least one FC character.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nabil M. El-Hady whose telephone number is (571) 272-3963. The examiner can normally be reached on 9:00 - 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bunjob Jaroenchonwanit can be reached on (571) 272-3913. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
